4710 S. College Avenue  
Fort Collins, Colorado

Testimony:

“Thank You for the wonderful job your team did on the new Advantage Bank building in Loveland. We could not be more pleased with the outcome of this project. The requirements of a bank building are somewhat extraordinary and I am pleased to report that Coe Construction accomplished these requirements in both a timely and cost effective manner. It is evident that your company makes customer satisfaction a top priority.”

Tom Chinnock  
President/CEO
